Letter to King George III Assignment

You are an American colonist who was either planning to settle east of the Appalachian Mountains or who is already living in that area banned for settlement by the Proclamation of 1763.

In partners, using a sheet of lined paper, write a 1-paragraph letter to King George III responding to his Proclamation of 1763. In your letter to the King, explain who you are, your intent, and:

1. Restate the meaning of the Proclamation – specifically, what does it mean to you?

2. Go into specific detail about how your life will be affected.

3. Explain how your relationship with the Crown (Great Britain) will change.

4. Explain what action(s), if any, you will take in response to the Proclamation.

Guidelines:

• 1 letter per group

• Participation and collaboration by each partner

• Letter format

• Blue or black ink

• Neatness

• Up to 10 points
